

Richmond County 2018 4-H Meat Goat Show Rules

The Richmond County 4-H Goat Show will be held Saturday, September 8th at 1:00 p.m. on the Dale DeWitt Farm above Ellerbe, NC. The show is open to all youth that have not reached their 20th birthday prior to January 1, 2018. All youth under the age of 9 (Cloverbuds) will not be judged under competition, but will exhibit non-competitively and receive a ribbon and \$5.00. If you would like a Cloverbud animal to be judged in the market/doe show, that animal must be registered in an older showman's name, as well, that has not already met their animal limits. **They cannot be added the day of the show.** The older youth that shows the cloverbud animal will receive the premium money. Cloverbud owners need to work it out before hand with the older showman if they want to later get payment. Exhibitors will automatically be entered into their showmanship classes. We will have a Pee wee class for children less than 5 years, but there is no registration necessary. Judge: Dan Wells

Exhibitors are limited to 2 wethers and 2 does. The goats must be under the exhibitor's care. Show officials (not parents) reserve the right to arrange classes as needed. If an exhibitor has more than 1 wether or more than 1 doe in the same class, another exhibitor can show the additional goat **after notifying show officials.** Failure to notify show officials of substitute showmen can result in disqualification. **You must show your own animal except in substitute showmen situations.** Animals cannot be moved to other weight classes. Wethers must have all baby teeth in place at the time of the show. Showmen must be able to handle their own animal in the ring (except pee wee's). Parents or other children are not allowed in the ring unless arrangements have been made at least 5 days in advance due to showmen with disabilities. If a child is struggling, a ring steward will assist them. Any unruly, unbroken, or dangerous animals will be asked to leave the ring. Anyone changing animal information at different shows, will be disqualified. Integrity and honesty must be taught in 4-H. Everyone must follow the 4-H code of conduct and dress code at all times (this includes no holes in pants). All four feet of the animal need to be kept on the ground during bracing.

All animals must have an official health certificate signed by an accredited veterinarian or approved state of federally employed veterinarian. All goats must have USDA Scrapie tag in place. Those animals that do not have a tag will have to leave the show grounds.

Weigh-in will begin at 11:00 a.m and end at 12:30 p.m. The show will begin at 1:00 p.m.

Sick and/or Thin Animals will not be accepted! All animals must be healed of castration.

There will be drinks and snacks available for sale on the show grounds. Some pens may be available, but please bring lead ropes to tie animals. Limited wash facilities and electrical hookups are available for use, however it is recommended that you wash and dry animals at home. Port-a-John's are available on-site.
